WELCOME TO SATNET

Sustainable Agriculture Trainers Network (SATNET) is a network of 50 Member organizations dedicated to training communities in sustainable organic agriculture technologies and natural resource management. Members of our network are spread across the six districts that constitute the

Rwenzori Region of Western Uganda. These districts are Kasese, Kamwenge, Kabarole, Kyenjojo, Kyegegwa and Bundibugyo.

Our Vision

SATNET envisions an empowered, gender responsive society in

NEWS & EVENTS

- A look at the 2008 western region organic day festivities
- How to prevent pineapple diseases - Research by Veerle Serlet
- SATNET Newsletter Award

Facilitator undervisning 2 uger 8-21

Kurset tilrettelægges ...

'Værts teams'

Moving out of poverty is not action – it is interaction ...

25 facilitatorer – ud i grupper i hele distriktet

'Konceptet'

'Gruppen ejer gruppen': alle arbejder for sig selv og hinanden med det som medlemmerne synes er mest relevant

Overordnet mål: opbygning af fødevareresikkerhed

Opbygning af social og human kapital central

Støtte gennem en facilitator; først ekstern og så intern

GROUP 1
SIGNIFICANT CHANGE

Strengthening inter-relationship among f.f.s members.

Reasons

Because of the above s. change we achieved the following:

- # - food security
- joint marketing
- good sanitation
- saving \$ credit.

The most significant change is working together.

Reasons

- ▶ Increased Income at HH level.
- 1. ▶ food security
- 2. ▶ Ready market for our products. e.g Banana, Kitchen etc
- 3. ▶ Knowledge Sharing
- ▶ Resourcefull person's
- 4. ▶ Use of organic ~~for~~ plastics using our local materials.
- ▶ Increased friendship.

Inter relationships through working together
